Kitchen...

Disposal of waste and recycling.

Friction-fitted lid creates a seal against odours.*

Buckets made from food grade, recyclable polypropylene.

Bathroom...

Disposal of bathroom waste.

The Compact 15L bin allows sink plumbing to be directed behind the bin, allowing more room in other drawers for personals.

Laundry...

Use two 50L bins to sort your whites from colours.

A single 15L Hideaway Bin can be installed to the shelf beneath the sink to hold bulk laundry powder.

*Deluxe & Soft Close ranges only

waste / recycling / storage...sorted with a Hideaway® Bin

Hideaway Bins are ideal for use as a hidden storage solution within any area of your home - kitchen, bathroom, laundry...anywhere. Three intelligently designed, New Zealand Made ranges are available, offering a simple and stylish space-saving solution.

A Hideaway Bin is a practical solution that slides away under the bench and is completely hidden from sight until needed. The bins are both ergonomic and functional as they are designed to be mounted at bench height and pull out towards you, allowing easy disposal of waste without having to bend inside low cupboards. Floor mount models are available for an under-the-sink solution in your kitchen.

Units are easy to clean and maintain. This provides you with a simple answer for storing waste and recycling within your kitchen, hygienically disposing of bathroom waste or sorting your whites from colours in the laundry. Each unit comes complete with bucket/s and a liner holder which is designed to hold your rubbish bag firmly in place.

With each of the three ranges offering distinctive features, there is sure to be a Hideaway Bin to suit your needs.

■ **NEW SINGLE OR DOUBLE 40L BIN CONFIGURATION WITH PATENTED AIR VENT SYSTEM**

■ **DOUBLE BIN CONFIGURATION GIVES AN 80L BIN CAPACITY**

LATEST PRODUCT RELEASE...

HIDEAWAY® 40L BIN WITH PATENTED AIR VENT SYSTEM

The introduction of this new product and its innovative new feature, combine to bring 6 new models to our existing Hideaway Bin range. Learn more about the key features of our newest bin solutions...

Bucket configurations - Single or double, up to 80ltrs!

Colour options - Arctic White.

High quality tracks - Over extend for easy bucket removal.

Friction-fitted lid - Creates a seal and offers odour control.*

Buckets - Made from food grade, recyclable polypropylene.

Clinikill™ powder coat - Keeps bin solution hygienic.*

Additional features - Pitch adjustment.*

*Soft Close range only.

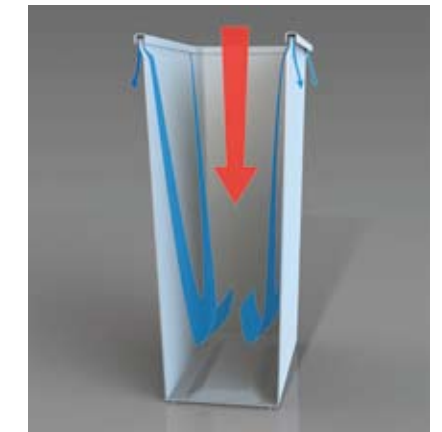

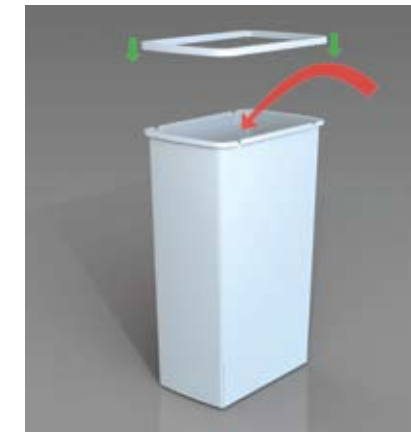

■ **A PATENTED AIR VENT SYSTEM TO MAXIMISE BAG VOLUME.**

Patent Appl No. (NZ) 597337 Patent No. (AUS) 2012100163
Design Appl No. (NZ) 415678 (AUS) 201210325

Vents - Four U-shaped air vents allow trapped air to escape through the lip of the bucket, as you push your bag into the bucket cavity.

Vent design - This unique, patented design will eliminate the frustration of trapped air restricting your liner, maximising bag volume.

Liner holder - Holds your bag in place without covering the vents, so trapped air can escape as you begin to fill your bag.

■ **NEW ADDITIONAL SIDE MOUNT SUPPORT OPTION...**

Available models...

SOFT CLOSE RANGE

1 x 40 litre bucket
285mm w x 645mm h x 420mm d

Hideaway® soft close range features...

LID - Removable, foam-sprung friction-fitted lid that creates a seal across the bucket/s when the unit is closed, assisting in odour control. This lid has a Clinikill™ powder coat to fight harmful bacteria, yeast and fungi keeping the bin solution hygienic.

TRACKS - High quality German ball bearing self-close tracks that create a controlled close through the use of an air vacuum dampener that protects the unit from slamming. The tracks over-extend for easy removal of bucket/s from beneath the bench top and have a dynamic weight loading of 45kgs.

AIR VENTS - Patented air vent system to maximise bag volume. 40L models only.

METAL GAUGE - 1.2mm Zinc treated steel, powder coated for durability.

BUCKETS - Made from a food-grade polypropylene plastic that is recyclable. All buckets come complete with a liner holder which will hold your bag in place.

COLOUR CHOICE - Available in Arctic White or Ghost Grey.

PITCH ADJUSTMENT - Provided in the door bracket for ease of installation. Adjustment also provided in the top mounting panel and door bracket.

INSTALLATION INSTRUCTIONS - All measurements given are internal (wall to wall) and are the minimum required to fit each unit.

A hygienic bin solution with a Clinikill™ powder coat to fight harmful bacteria...

INSTALLATION OPTIONS:

DOOR PULL

One Step Action. The front fascia of the cabinet is attached to the door bracket of the Hideaway Bin. The bin is accessible by simply pulling open the cabinet door.

Hideaway® deluxe range features...

LID - Removable foam-sprung friction-fitted lid that creates a seal across the bucket/s when the unit is closed. The friction-fitted lid makes the Hideaway Deluxe Bins ideal for use in a kitchen environment as odours are locked away.

TRACKS - Quality ball bearing runners that over extend, allowing easy removal of buckets from beneath the bench top and have a dynamic weight loading of 40kgs.

METAL GAUGE - 1.0mm Zinc treated steel, powder coated for durability.

BUCKETS - Made from a recyclable, food grade polypropylene plastic.

All buckets come complete with a liner holder to hold your bag in place.

INSTALLATION INSTRUCTIONS - All measurements given are internal (wall to wall) and are the minimum required to fit each unit. Models KK3H, KK2H, KK4H, KK12H and KK7H - if hinges are used that do not allow the door to clear the opening fully, allow an extra 10mm width. Installation also requires that the top door hinge be 150mm from the top of the door to allow clearance for the bin handle.

The friction-fitted lid helps to eliminate waste odours in the kitchen...

INSTALLATION OPTIONS:

DOOR PULL
One Step Action. The front fascia of the cabinet is attached to the door bracket of the Hideaway Bin. The bin is accessible by simply pulling open the cabinet door.

HANDLE PULL
Two Step Action. The unit is top mounted inside the cupboard. The bin is accessible by opening the cupboard door and pulling out the bin using its handle.

PRODUCT CODES:
Hettich order codes appear in blue (eg Hettich Order Code: 9141827) under the model information. Use these codes when placing an order for your Hideaway Bin from Hettich.

Hettich Order Code: 48944

Recommended Use:
Ideal recycling solution for the larger family.

Hideaway[®] compact range features...

Hideaway Compact bins are 'compact' in design making the range ideal for areas with limited space. The units are top mounted and this mounting panel acts as a cover for the bucket/s. One check-out is included in the mounting panel for a replaceable perfume sachet that will assist with unpleasant odours.

TRACKS - Quality ball bearing runners that over extend, allowing easy removal of buckets from beneath the bench top and have a dynamic weight loading of 40kgs.

METAL GAUGE - 1.0mm Zinc treated steel, powder coated for durability.

BUCKETS - Made from a recyclable, food grade polypropylene plastic. All buckets come complete with a liner holder to hold your bag in place.

AIR VENTS - Patented air vent system to maximise bag volume. 40L models only.

INSTALLATION INSTRUCTIONS - All measurements given are internal (wall to wall) and are the minimum required to fit each unit. Models: KC15H, KC20H, KC140H, KC30H, KC40H, KC240H and KC50H - if hinges are used that do not allow the door to clear the opening fully, allow an extra 10mm width. Installation also requires that the top door hinge be 150mm from the top of the door to allow clearance for the bin handle.
