Laminex Contour Finedge doors are marketed, distributed and manufactured by The Laminex Group. A division of Laminex Group Pty Limited ABN 98 004 093 092. The colours of the photographs depicted in this brochure are as close to the Laminex Contour Finedge doors range as photographic lighting and modern printing processes allow. The Laminex Contour Finedge doors range is no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Laminex Contour Finedge doors should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface. Please obtain a copy of the terms and conditions of the Laminex Contour Finedge doors 12 year limited warranty from [laminex.com.au](http://laminex.com.au).
