Formica laminates are marketed and distributed by The Laminex Group, a division of Laminex Group Pty Limited ABN 98 004 093 092. The colours of the products featured within the imagery in this brochure are as close to Formica laminates as photographic lighting and modern printing processes allow. Formica laminates are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Formica laminates should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface. Please obtain a copy of the terms and conditions of Formica laminates 7 year limited warranty from formica.com.au. This warranty is in addition to any rights that may exist under the Australian Consumer Law. **Formica® GlossPlus™**
