The Brands

Pyramis was established in 1959 by Mr Alexandros Bakatselos in the city of Thessaloniki, Greece and to date remains a family business.

Since 1959, core values within Pyramis still remain the same:

- Passion for perfection
- Persistence and optimism
- Pyramis's devotion to their values and aims.

The guiding principle of Pyramis that everything can be further improved is the starting point of all their actions.

Today the Pyramis brand enjoys prestige and credibility all over the world. The company exports its products to more than 50 countries in all continents. Pyramis manufacturer's 1.6 million kitchen sinks per year and has recently invested over 43 million Euros in new production technology. As the largest stainless sink manufacturer from a single production facility (286,000 m²) you can rely on Pyramis to provide market leading designs and quality products.

The Tisira range of sinks has been specially developed here in Australia for the Australian market offering a product range catering for the commercial market thru to the home buyer and renovator.

Life is for living! We know that you work hard for your money and that you want products that look great and perform well - not to mention outstanding value for money!

Our local team of product designers, cooks and engineers are designing products with three key elements - Design, Performance & Value. Being an Australian Company we understand your requirements and we would be proud to have any of our products in our own homes!
