GLOSS

polytec's new range of gloss laminates is available in an exceptional range of colours with a luxurious gloss level. All gloss laminates will scuff and scratch from the normal wear and tear that occurs on a bench top. Darker colours will show wear and tear more than light colours. The highly reflective surface on gloss laminates means that scuff and scratch marks are more obvious than other finishes.

Café Cream
TEXTURE

polytec's LAMINATE texture finish is a traditional, medium textured laminate surface with high durability. The textured finish is not only beautiful in its own right it is a surface that is perfect for today's lifestyle.

Olive Fabrini
MATT

Our Matt finish has a fine textured surface that offers good durability while retaining a high degree of decorative clarity.
